FOR IMMEDIATE RELEASE

“Dubai to Host 1st ASIS International Middle East Security Conference”

Brussels, 25 November 2009 – The 1st ASIS International Middle East Security Conference which will take place in Dubai, UAE on 6-8 December 2009.

The conference is expected to gather more than 200 delegates and will feature 33 high-level educational sessions for and by international security experts that will cover the entire spectrum of security topics ranging from hotel security, organised crime, and maritime piracy to terrorism, background investigations rights, and IT Forensics.

His Excellency Lt General Dhahi Khalfan Tamim, Commander in Chief of the Dubai Police, Chairman of the Security & Justice Committee, Director of Security & Justice – Federal Security, Head of the Disaster & Crisis Management Team and Member of Dubai Government Executive Board, will be the opening keynote speaker on 7 December.

On 8 December, **Mohammad G. Al-Zahrani**, Executive Director, Safety & Industrial Security at Saudi Aramco, will be a keynote speaker. The Conference will be closed by **Dr. Raymond H. Hamden**, Clinical & Forensic Psychologist, Human Relations Institute. He will discuss the psychology of terrorists.

Other speakers include **Lieutenant Colonel Abdulrahim Mohammed Sahfee** and **Younis Yousuf Al Mualim** from the Dubai Police Force, **Walied Shater** from ConocoPhillips, **Simon Hoyle** from Majid Al Futtaim Group LLC, **Janet Ackerman** from Corporate Research and Investigations LLC, **Russell Busby** from Saudi Aramco, **Zeal Somani** from Paramount Computer Systems FZ LLC, and **Ralph Stobwasser** from Control Risks.

Security professionals who want to attend this Conference can still register by clicking [here](#).

About ASIS International:

ASIS International (ASIS) is the pre-eminent organisation for professionals responsible for security, with more than 37,000 members worldwide. Founded in 1955, ASIS is dedicated to increasing the effectiveness and productivity of security professionals by developing educational programmes and materials that address broad security interests, such as the ASIS International Annual Seminar and Exhibits, as well as specific security topics. ASIS also advocates the role and value of the security management profession to business, the media, governmental entities and the general public. By providing members and the security community with access to a full range of programmes and services, and by publishing the industry's leading magazine, *Security Management*, ASIS leads the way for advanced and improved security performance.
