FOR IMMEDIATE RELEASE

“Security Management – The Way Forward”

Brussels, Belgium (19 March 2007) ASIS International is pleased to announce its 6th Annual European Security Conference, *Security Management – The Way Forward*, which will be held at the InterContinental Hotel in Berlin, Germany on 25-28 March 2007. Already 440 security professionals, corporate executives, consultants, and law enforcement officials from 50 countries have registered.

Security Management – The Way Forward will feature 44 high-level educational sessions. High quality presentations developed by and for security professionals will cover the entire spectrum of security topics ranging from supply chain security and maritime piracy to terrorism prevention and executive protection. It will be a unique opportunity to connect with both public and private sector leaders from around the globe and to discover how they are confronting today's security challenges.

Five high-level keynote speakers will address the participants:

- **Mr Otto Schily, MdB** - former German Federal Minister of the Interior from 1998 – 2005
- **Brigadier Ian Abbott, OBE** - The UK's Deputy Permanent Military Representative to the EU
- **Mr Robert Benninga** - A leading authority in the field of Human Peak performance and Change Management
- **Mr. Jörg Ziercke** - President of Germany's Federal Law Enforcement agency (Bundeskriminalamt)
- **Mr. Wim Philippa** - Secretary General of the European Roundtable of Industrialists (ERT), Winner of the ASIS International European Person of the Year 2007 Award

This year's conference has been made possible through the sponsorship of Honeywell, Entelec, Tyco Fire & Security, Segway, DHL, Vance, Nedap, ASI Europe. Group 4 Securicor will provide the onsite security.

New this year is a dedicated session on the benefits of professional certification for which over 100 delegates have registered. Delegates will also attend networking events such as the SRVP Welcome Reception at the InterContinental Hotel, as well as the President's Reception at the Museum of Communication. The conference will conclude on Wednesday 28 March with the European Person of the Year 2007 award ceremony.

About ASIS International:

ASIS International (ASIS) is the pre-eminent organisation for professionals responsible for security, with more than 34,000 members worldwide. Founded in 1955, ASIS is dedicated to increasing the effectiveness and productivity of security professionals by developing educational programmes and materials that address broad security interests, such as the ASIS International Annual Seminar and Exhibits, as well as specific security topics. ASIS also advocates the role and value of the security management profession to business, the media, governmental entities and the general public. By providing members and the security community with access to a full range of programmes and services, and by publishing the industry's leading magazine, *Security Management*, ASIS leads the way for advanced and improved security performance.
